

Bischof and White Bowl Perfect Game

By David Norman

During Monday's Galaxy Classic League, Chad Bischof began the night by rolling a perfect 300 game in his first game of the evening. Just minutes later, Daelyn White accomplished that same feat.

This was the first sanctioned 300 game for each of these two men, and the third and fourth at Galaxy this season.

The KY State Women's Senior Tournament was held at Galaxy on October 5-6. More than 100 bowlers from across the state competed in the two-day event. The following local bowlers cashed in this event:

Emma Lee Tate-fifth place-Super Senior division, Pat Lynch-sixth place-A class, Beverly Shearer-first place-B class, Keeley Gadd-second place-E class, Jan Stepp-third place-E class. Congratulations to all of these bowlers for representing Madison County in this State Tournament.

The KY State Open Tournament will be held at Galaxy for the first three weekends of November. This competition is open to all sanctioned bowlers in the state of Kentucky. For more information contact David Norman at 859-893-3838.

Monday Galaxy Classic League:
