

MCBA Annual Meeting Minutes 06-25-22

President David Norman started the meeting by voting on keeping the five board members that their terms had expired. The board voted to keep the members on the board. There is one spot open right now maybe another by our next meeting. David asked if anyone knew of someone who might be interested in being on the board. David said he would put out applications and anyone who had previously filled out an application it will be resubmitted. David talked about the KY State Board Meeting. The state board plans to run the state tournaments. The local associations can still run brackets, etc. They will start by running both women's state tournaments and see how it goes. If it goes well may try to run all of them next year. We will be hosting the state open tournament this year. The format will be changed this year. The Teams, Singles and Doubles will be run at the same times. David asked if we should run a hospice tournament this year. After discussion will run one at a smaller scale. We need to work on donations for it. Jenny Norman checked with the house and August 21, 2022 is open. So the tournament will be on August 21 at 1:30pm David said he would send out donation sheets to members. Also we need to get items for the silent auction. The board also set September 18 as the date for the local senior tournament. The next board meeting was set for August 13 at 10:30 AM. Chad Bischof said we can send 2 people to USBC leadership training on August 20-21 in Dayton Ohio. If anyone is interested let David Norman know by July 20. Also Chad spoke about PBA Leagues as being an option to join in the future along with USBC. David told the members we will be hosting the state board meeting on September 17, 2022. Probably at the Best Western conference room. Our association can have 3 delegates and is open to anyone who wants to attend. The board will reimburse \$25 per person for background checks for the registered volunteer program. Meeting adjourned.
