

M.C.B.A.'s Meeting Minutes from December 6, 2018.

Association President David Norman started the meeting telling the board members they need to register with the Registered Volunteer Program. He said he would email the link to register for the program. Board members are required to register to continue to be on the MCBA Board Of Directors. The USBC made it mandatory for all association board members to complete the program whether they work with youth bowlers or not. A background check is also part of the process and will cost \$21. Jenny Norman suggested the association pay for the background check. The board voted to pay for the background check. Narita Rose asked why should we pay out money for board members that don't attend meetings or help out. David said there are a number of people who want to be on the board if board members don't want to attend meetings. He also said they are always 20 members that help out. Jenny suggested board members should work at least two events each year. On December 22 the Madison Central bowling team will host a tournament at Galaxy and are looking for 5 or 6 volunteers to help out. David said our next tournament will be in February and asked do we need to meet in January. Jenny said maybe meet later in January to give committees a chance to meet before a board meeting. The board decided to meet on January 20, 2019. Narita said we should reach out to Hospice Care Plus to see if they are good with the tournament date. Get with previous sponsors, get with businesses for \$250 or \$500 sponsorships or whatever a business would want to donate. David said he would get the donation sheet from last year. Also some businesses will need a request form. Rick Stamper will get the form from last year. Ron Roberts will print the banners. David said we will work on the Women's City Tournament and the Lemetta Dause Tournament at our next meeting. Meeting adjourned.

Lewis Jones Jr

MCBA Association Manager
